Re: Matthews v. Allen,
No. 04-11874-MLW

Dear Clerk:

I wrote you and Judge Wolf asking for a copy of the habeas petition in the case mentioned above. I received the petition and can tell you that I did not file that petition. Someone signed my name but that is not my case and I did not sign the signature page.

Please dismiss the case. I did not file it. The only habeas case I filed in this court was Matthews v. Pepe, 54 F.3d 909 (1st Cir. 1995).

If you want me to file a

from motion, please let me
know.

Thanks!
Sead Matthews
